## The Just and The Unjust

by Vaughan Kester (1869-1911)

Framed for a murder he did not commit, John North must rely on his friends to help clear him of the charge. But, are they really his friends? Many have dirty little secrets they wish to keep private, even at the expense of John North's life. Ironically, those keeping quiet include members of the legal profession. Only one drunken man knows the true identity

of the killer but he has mysteriously disappeared. Deceit and betrayal flourish in this story, with a tense conclusion.
